To Whom It May Concern:

Please accept this letter as my highest recommendation for Resource Environmental, Inc. I have had the pleasure of working with this firm since their inception in 2005.

Resource Environmental, Inc. has demonstrated a professional and ethical caliber throughout our relationship. We have worked together on projects small and large and their attention to detail and professionalism is always consistent, no matter the size of the project.

Schedules have been maintained and all projects have been completed on time. In this regulatory driven industry, I always have confidence that when Resource is on the job, safety and compliance come first.

We have had the opportunity to work with many abatement firms in our twenty-five year history and I have no reservations in stating that Resource is as good as they get. They are at the top of my list when recommending someone for environmental contracting services.

If you have any questions, please feel free to contact me at (949)289-3565.

Sincerely,

**Pacific Environmental Company**
