Dear Resource Environmental,

On behalf of the City of San Bernardino, I am writing to express our sincere appreciation for the exceptional work performed by Resource Environmental, Inc. (RE) on the Demolition of the Carousel Mall Project. Your team's professionalism, expertise, and dedication have been instrumental in the successful execution of this significant endeavor.

The Carousel Mall, a cherished landmark in our city, had stood for over 50 years before its closure in 2017. Its demolition marked a pivotal moment in our ongoing efforts to revitalize the downtown area and pave the way for future development opportunities. Spanning across 43 acres, the mall held countless memories for locals, serving as a hub for shopping, entertainment, and community gatherings.

From the outset, RE demonstrated a thorough understanding of the project's complexities and challenges. Your team adeptly navigated the demolition process, ensuring the safe and efficient removal of structures while adhering to all safety protocols and regulations. The demolition, initiated in April 2023, progressed smoothly under your guidance, despite the scale and intricacies involved.

We commend RE for its commitment to environmental responsibility throughout the project. Your efforts to minimize disruption to the surrounding ecosystem and mitigate any potential environmental impacts have not gone unnoticed. Furthermore, your proactive approach to addressing unforeseen obstacles and implementing value engineering solutions has been invaluable in optimizing project efficiency and cost-effectiveness.

We would not hesitate to recommend Resource Environmental, Inc. for future projects requiring your specialized expertise. Your proven track record of excellence and commitment to client satisfaction make you a trusted partner in our community's ongoing development efforts.

Thank you once again for your outstanding contributions to the Demolition of the Carousel Mall Project. Should you require any further information or assistance, please do not hesitate to contact us.

Respectfully,

Lynn Merrill
